

## Quality Binding Equipment

### Gold Sovereign XP5 Electric Wire & Comb Binder

Electric 2 in 1, The XP5 is both a comb and 3:1 pitch wire binding machine, so for the day to day documents you may need to edit then comb is a great solution, for a more permanent document wire binding can create a professional document that is more difficult to edit, simply chose your binding method by sliding the selector and the XP5 is ready to use, both the wire closer and the comb opener are built into to the XP5 so it really is an all round solution for all office binding requirements. Foot control switch or push button to activate the machine.
