# Laundry Powder

- ✓ Heavy Duty
- ✓ Suitable for Domestic or Industrial Use
- ✓ Provides excellent results in Hot, Warm or Cold Water
- ✓ Economical
- ✓ Suitable for use in Kitchen & Food Preparation Areas

**Laundry Powder** is an excellent industrial and domestic powdered laundry detergent for all types of fabric. For brilliant whites and clean bright colours, use **Laundry Powder** as directed in cold, warm or hot water. For best results, separate whites from coloured fabrics in every wash or pre-soak.

Use **Laundry Powder** as a pre-soak to lift those stubborn dried or baked on stains. Dissolve half a cup in a bucket of warm or cold water and add clothes. Leave to soak then wash as usual.

## Directions for use:

### Top Loaders

Add ½ cup per load. Use ¾ cup for heavily soiled loads.

### Front Loaders / Twin Tubs

Add ¼ cup per load. Use ½ cup for heavily soiled loads.

For hard water areas use slightly more **Laundry Powder**.
