SM FRANCE TABLE TOPS

ABOUT

SM France's "laminated-molded" table tops for the hospitality and catering industry, are made of wood, glues and papers. The technique of molding and lamination by hot pressing gives the product qualities unmatched to date, especially in terms of weather resistance.

Recognised for its design and creation, SM France is considered the "leader of the table top". You will find SM France products in a large number of restaurant and café terraces around the world.

Available in a select range of sizes and finishes, these tops are durable, weatherproof, inexpensive and attractive.
